

## Native Plant Rescue Participant Agreement

Site: \_\_\_\_\_

Upon signing, each participant agrees to the following:

1. I will not return to this property except as a member of an official GNPS rescue.
2. I will not sell any of the plants or related natural materials I take from this or any rescue site or use them for private gain.
3. I will not make any attempts to delay, prevent or impede development of this site, or do anything to antagonize or upset the developers/property owners.
4. I will follow the rules and guidelines as explained by the GNPS rescue facilitators.
5. In order to honor the privacy agreement between the property owner/developer and the GNPS, I will not discuss or disclose any information to outside agencies, organizations or the media concerning any rescue site location, its disposition or the plants discovered there. (All such inquiries should be referred to the Rescue Director/Deputy Director.)
6. I will not smoke, use, or discard any tobacco products or smoking material on this or any site. All smoking materials will be left in the vehicle.
7. I understand that if I violate this agreement, I could be prohibited from participating in any future GNPS rescue.
