

# 2019 Fall Plant Sale

**September 14, 2019**

**10 am to 2 pm**

**Stone Mountain Park**

**Stone Mountain, GA**

We have thousands of plants lined up for the sale on Saturday, September 14, 2019 from 10 am to 2 pm. Some plants will be available in quantity, some may be single items only and others may be surprises from member donations (some arriving only the day before).

This list represents only those items for which we feel there will be sufficient quantities to reliably advertise them as being there. Still, for best selection, we recommend that you get there when the sale starts. The sale area will be divided into areas like Trees/Shrubs, Sun Perennials, Shade Perennials.

Remember, this is only a partial list. We encourage you to come see what unique and special items didn't make the list!

## **Trees/Shrubs\***

<i>Aesculus pavia</i>	red buckeye
