

2024 Spring Plant Sale

Georgia Native Plant Society

NORTH METRO ATLANTA CHAPTER

April 20, 2024

9 am to 3 pm

The Grove @ Wills Park

175 Roswell St, Alpharetta

This is our fifth sale as a chapter. We have hundreds of plants lined up for the sale. Some of the chapter plants will be available in quantity, some may be single items only and others may be surprises from member donations (some arriving only the day before).

This list represents only the plants being provided by the chapter and its members. **The items listed here include only those for which we are planning to have 5 or more.** These include some of the most dependable native perennials around, suitable for even beginning gardeners.

We encourage you to come see what unique and special items didn't make the list! Come early for best selection.
